Bob Krone is a global educator, author, and consultant in Advanced Management theory and practice. He is President of the Kepler Space Institute ([www.keplerspaceinstitute.com](http://www.keplerspaceinstitute.com)); An Emeritus Professor of the University of Southern California (USC) in Los Angeles, U.S.A. (1975-1993); was a Distinguished Visiting Professor in the School of Business at La Sierra University in Riverside, California, U.S.A. (1992-2007); and an Adjunct Professor for Doctoral Programs in the International Graduate School of Business at the University of South Australia (1995-present). He authored or co-authored seven books and 72 professional journal articles.

Bob graduated from the Naval War College Command and Staff College in 1962. He is a Fellow Member of the American Society for Quality ([www.ASQ711.org](http://www.ASQ711.org)) with an academic specialty in the Quality Sciences; Former Secretary of the National Board of the Distinguished Flying Cross Society (2005 -20013) ([www.dfcsociety.org](http://www.dfcsociety.org)); Former Member Board of Directors of the Veterans Museum and Memorial Center, San Diego, California ([www.veteranmuseum.org](http://www.veteranmuseum.org)) and Emeritus Member Board of Directors of Idyllwild Arts ([www.idyllwildarts.org](http://www.idyllwildarts.org)).

Bob stayed in touch with Aerospace after his 1952-1975 career retirement from the United States Air Force, where he flew fighter jets and was decorated with the Silver Star, four Distinguished Flying Crosses, Bronze Star and eleven Air Medals for combat flying in Vietnam. His participation in the NASA sponsored Aerospace Technology Working Group (ATWG) led to his editing *BEYOND EARTH: THE FUTURE OF HUMANS IN SPACE* (Apogee Space Press, 2006), Amazon.com). That book was on the

Universe Today list of "Best Space Books in 2006" and was influential as a foundation document for the 2009 founding of the Kepler Space Institute

Bob and his wife, Sue, have travelled the globe and lived in thirteen countries. They are Krone Associates of Fallbrook, California, U.S.A. specializing in the Ideas Unlimited Group Survey Methodology, (Dr. Bob & Sue Krone, *Ideas Unlimited: Capturing Global Brainpower*, Infinity Publishing, 2007). This complete Curriculum Vitae and Resume is published in [www.BobKrone.com/node/103](http://www.BobKrone.com/node/103).

During the period June 1976 to April 1993 Dr. Krone taught 2,015 graduate students in USC's Master of Science in Systems Management Degree Program (MSSM) at United States, Pacific, and Germany locations. Course taught were:

- \* Systems Management and Organization Theory, SSM 513
- \* Systems Analysis, SSM 665
- \* Problems in Systems Technology, SSM 555
- \* Systems Integration/Project Management, SSM 557
- \* Decision Support Systems, SSM 569
- \* Total Quality Management (TQM), SYMA 599
- \* Psychological Aspects of Systems Management, HUFA 517
- \* Organizational Behavior and Systems Management, HUFA 523
- \* Directed Research, SYMA 590

During the period April 1992 to 2006 Dr. Krone taught in the MBA Degree Program of La Sierra University. Courses taught:

- \* Graduate Research Methods, MGMT 521
- \* Policy Formulation and Strategic Planning, MGMT 691
- \* Quality Management and Performance Evaluation, MGMT 688
- \* Global Issues, MGMT 686
- \* Organization Theory and Behavior, MGMT 678
- \* Business Policy and Strategy, BUAD 485

During this period he also taught courses for Andrews University in Michigan on the Campus and for their off-campus MBA Program in Singapore.

During September and October, 1992, Dr. Krone was a Visiting Professor teaching a course to Faculty and Doctoral Students at the Universidad Autonoma de Mexico, Facultad de Contaduria Y Administracion, Mexico City. The Course was "*Quality Management for Executives.*"

Commencing in 1995, Dr. Krone was appointed a "*Principal Supervisor*" for Doctoral Programs by Research (PhD & DBA) and Seminar Facilitator for DBA Programs of the International Graduate School of Business (IGSB), University of South Australia (UniSA). In that role he continually supervised the doctoral theses of candidates in Asia, the United States and Europe through 2007. That supervision was done through a mix of personal meetings and computer distance learning. By Dec 2007 he had been the Principal Supervisor for 42 earned doctoral degrees in Asia, Europe and the United States.

In 1998 Dr. Krone, with Dr. Lawrence Downing, created the "*Certificate Program in Leadership, Values and Ethics for Business and Management*" for the La Sierra University School of Business and Management in Riverside, California, USA. That program had four 4-unit graduate level courses continuously offered by LSU through distance learning:

- \* *Research for Business & Management*, BUAD 624
- \* *Ethics and Values for Leadership*, BUAD 617
- \* *Quality Management for Business & Management*, MGMT 664
- \* *Strategic Planning and Decision-Making*, MGMT 665

#### \* CONSULTING

- 2011 - 2012 Ideas Unlimited Method consulting through Kepler Space Institute. Arabian Societies for Human Resource Management, Bahrain and Abu Dhabi
- 2007 - 2009 Consultant to the National Museum of the United States Air Force for its creation of the "100 Mission Permanent Exhibition." Speaker at the 18 March 2009 Ceremony opening the Exhibition, Dayton, Ohio.

## \* PUBLICATIONS

Bob Krone's publications are in the fields of *Space, Science and Technology, Systems Analysis, Policy Sciences, Systems Management, Resource Management, Human Values, Quality Sciences, Surveying for Productivity Improvement, Machine Intelligence, Moral Leadership and National Defense.*

### \* Books and Book Chapters

Bob Krone made the decision in the year 2000 to use web sites as the publication media in addition to hard-copy book publications. This matched his increasing use of distance learning for courses and doctoral research supervision with students globally located. Web site material facilitates "texts on demand" and makes instant availability of new writings possible.

- 2012 to Present. Issues of the *Journal of Space Philosophy*, Bob Krone, Editor-in-Chief, sponsored by Kepler Space Institute. Each issue is book length and available At [www.bobkrone.com/node/120](http://www.bobkrone.com/node/120).
